

Jeffery Cavallaro  
Teaching Assistant  
San Jose State University

February 21, 2017

**Dear Sir or Madam,**

Joshua Wong was a student in my precalculus class during the Summer session of 2016. He exhibited excellent class attendance and participation, his homework was always well done and on time, and his exam performance was top notch. In my opinion, Joshua would be an asset as a student to your academic institution.

Thank you for your time and consideration.

Sincerely,

Jeffery Cavallaro
